Certification Test

Flashing Firmware on an Industrial Drive *(eLM.AFD1000.02.flash_drv)*

Taking the Certification Test
No demo unit is needed to take this test. Please record all answers on this answer sheet. Multiple-choice questions have **only one** correct answer.
A passing score is 100% (0 wrong).

Returning the Certification Test
Option 1: E-mail the answers and **all** contact info below to **training@yaskawa.com**.

Option 2: Fax this page to **Yaskawa Technical Training Services** at (847) 887-7185.

Receiving Your Score
You may review your answers only if a passing score is received. When the test is taken during class, you will receive your score as soon as it can be graded. When taken as a CLEP test or pre-requisite enrollment test, contact Technical Training Services via email or phone to receive your score.
